

# Shopping for essentials

**Designate one person to go into stores and shop per household**

- Go shopping at a time that's less busy
- If available wear a mask
- Take germicide with you (Use it to wipe your hands and the cart before and after you shop)
- Use a credit or debit card to complete purchases (avoid hand offs with cash)
- Wash your hands, counter, and other surfaces you've touched
- Wash produce when you arrive home
